

Humberto E. Fabelo, Ph.D., LCSW
Curriculum Vitae

SUMMARY

Associate professor and associate dean for academic and student affairs at the School of Social Work, Virginia Commonwealth University with 19 years of higher education administration experience and 25 years of completed service at Virginia Commonwealth University. Instructional responsibilities in the undergraduate, graduate and doctoral programs. Research interests in scale development, refugees and immigration and multicultural issues, and trauma. Licensed Clinical Social Worker in the Commonwealth of Virginia and previously in the State of Florida with direct clinical practice and administrative positions in hospital settings and out-patient clinics.

PROFESSIONAL

Associate Professor with Tenure

August 2020 – present (Continuing from May 2003)

Resumed 9-month faculty appointment in August 2020 after serving as associate dean for academic and student affairs since January 2011. Primary teaching responsibilities include undergraduate human behavior and research courses, mentoring students in independent study courses as agreed, and serving on dissertation committees. Scholarship activities include participation on the Puerto Rico Research Team with colleagues from VCU, Columbia, and Cornell universities, with ongoing research activities related to two different studies with older adults in Puerto Rico: Hurricane Maria and COVID. Service activities include the School Assembly, University Undergraduate Curriculum Committee, serving as a commissioner on the CSWE Commission on Accreditation (with responsibilities for program reviews, commissioner site visits, and commission meetings in February, June, and October), and ad-hoc reviewer for scholarly journals and any ad-hoc university task-force or ad-hoc committee such as search committees.

Associate Dean for Academic and Student Affairs
Interim Associate Dean for Academic and Student Affairs
School of Social Work
Virginia Commonwealth University
Richmond, Virginia

July 2012 – August 2020
January 2011 – June 2012

Key Accomplishments (2011 – present):

- Created and chaired the Academic Administrators group and instituted weekly supervision with all academic program directors (Spring 2011 – Summer 2017); prior to this structure, the school's academic programs and student services offices all functioned independently and autonomously; this group currently functions autonomously as the Programs Office Directors and reports directly to the dean of the school
- Helped to implement in 2011 – 2012, the newly-created Office of Student Success and hire the inaugural director; implement professional advising model (previously a faculty role).
- Helped to implement in 2011 – 2012, the newly created full-time term faculty model for faculty assigned to the office of field education

- Helped create the university's Associates Forum, a university-wide group of all academic deans that meets monthly by advocating its creation with the Associate Vice Provost for Academic and Faculty Affairs
- Created the school's first student policy handbook by consolidating existing, but separate documents and organized by school-wide and program-specific sections; including the creation of program-specific academic standards
- Successful advocacy for the creation of the school's first simulation classroom and laboratory with state-of-the-arts technology allowing for streaming and capturing of simulation activities
- Designed master schedule structure for all sections of each B.S.W. and M.S.W. course to be offered in concurrent blocks so section enrollment could be maintained evenly across all sections and the schedule could be managed more efficiently, allowing the expansion or collapsing of sections as needed to accommodate enrollment; instituted course enrollment cap process to control section size, and section enrollment balance by changing student section enrollment.
- Led the review and revision of the school's due process policies and procedures
- Led the creation, review, and approval, and implementation of the school's technical standards and essential functions policy and document
- Created and implemented annual B.S.W., M.S.W., and Ph.D. student climate survey
- Created academic and student affairs position to support associate dean and director of student success
- Helped to create the enhanced learning spaces specialist position, the first of its kind at the university
- Implemented electronic process for creating the school's master schedule of classes each fall, spring, and summer
- Redesigned spring graduation ceremonies, including the roles of participating program directors, student speakers, and the use of ceremonial banners
- Created the fall convocation ceremony for all three programs, including guest speaker
- Realignment of academic operations between associate dean and M.S.W. program offices
- Transitioned to electronic M.S.W. admission application reviews
- Design and implementation of quantitative M.S.W. admission review, including the development and validation of review instrument
- Implemented the M.S.W. graduate assistantship program and selected groups
- Created and implemented M.S.W. social work student attributes to track on-campus, distance education, advanced standing, and Northern Virginia M.S.W. students
- Created and implemented record system to track faculty course release earned credit and annual faculty teaching preference survey
- Helped create and implemented policy for monitoring the issuance of incomplete grades and ensuring all students were properly enrolled in field courses when placed at an agency for corresponding internship
- Established and met or exceeded B.S.W., M.S.W., and Ph.D. summer and fall enrollment targets for academic years 2013, 2014, 2015, and 2016
- Organized and led new faculty and staff 2-day onboarding and orientation program
- Helped to implement decentralization of academic and student affairs process in the summer 2017

Position Responsibilities (Summer 2017 – present):

Responsible for all centralized academic and student affairs operations of the school and represent the school and dean in key university committees and central offices. Key liaison with the Office of the Provost academic programs staff. These include, but are not limited to:

- Review and approval as dean’s designee of all M.S.W. and Ph.D. admission applications
- Review and approval as dean’s designee of all undergraduate, graduate, and doctoral student petitions for special actions and policy waivers, including change of grades, late actions, ARAC petitions, medical withdrawals and leave of absence, issuance and extensions of incomplete grades
- Oversee all due process reviews and ensure they are conducted according to program, school, and university policies and procedures (review for dismissal, dismissal appeals, grade reviews, readmission requests)
- Oversee the creation and implementation of the school’s master fall, spring, and summer schedule of classes; oversee and approval of social work classroom assignments in the Academic Learning Commons third-floor classrooms.
- Represent the school on key university committees, including, but not limited to the following main committees:
 - Academic Regulations Committee
 - Academic Regulations Appeals Committee
 - Associates Forum
 - Assessment Council
 - Graduate Deans Advisory Council
 - Calendar Committee
- Participate on the following school committees:
 - Academic Programs Committee
 - Dean’s Cabinet
 - School Assembly
- Ensure compliance with CSWE accreditation standards and lead team in the reaffirmation of reaccreditation self-study process.
- Interim reviewer and approver of all school I.R.B. applications
- Reviewer and approver of school-sponsored CEU events
- Maintain and update Xitracs system of faculty credentials

Position Responsibilities (Spring 2011 – Summer 2017):

Responsible for all centralized operations of academic and student affairs in the school’s three degree programs (BSW, MSW, PhD) and the offices of student success and field education. The main responsibilities of the associate dean for academic and student affairs are as follows:

- Responsible for ensuring school academic priorities and strategic initiatives are aligned with Quest for Distinction and other university priorities
- Implementation, review, and revision of all academic policies and procedures and degree requirements in three degree programs, field education, and student success offices
- Setting and ensuring achievement of the school’s strategic enrollment management targets in all three degree programs
- Creating enrollment and educationally-derived revenue projection and yield reports

- Preparing and presenting reports on school-wide academic matters to the Programs Committee (the school's main academic governance committee) and Faculty Assembly (the school's policy-making body)
- Serving as the dean's designee in matters pertaining to student admissions, academic and grade review, dismissal actions, and all other matters pertaining to students in any of the school's three academic programs
- In consultation with the university's general counsel and other related offices, anticipate and strategically manage any situation that exposes the school or university to risk
- Final school reviewer of graduation applications in all three academic programs to ensure degree requirements have been satisfied by each graduation applicant
- Serving as the school's main point of contact with all major university units on academic and student affairs
- Coordinating the school's two main academic events (convocation of new students each fall and commencement ceremony each spring)
- Ensuring the schedule of classes of all three degree programs is accurate and submitted on time to the university's scheduling office; ensuring corrections and revisions are made promptly
- Completing annual student climate survey
- Surveying faculty members' teaching preferences for the academic year and preliminary assignment of teaching assignments
- Maintaining accurate records of faculty members' earned course release credit based on selected teaching activities and awarding three course releases each academic year to selected faculty members
- Task supervisor for all academic program directors
- Ensuring compliance with Council on Social Work (CSWE) baccalaureate and graduate educational and accreditation standards, including annual assessment of student learning outcomes, and the coordination of the school's reaffirmation of accreditation self-study and site visits
- Certifying continuing education events and programs in coordination with the Office of Continuing and Professional Education
- Serving on university-wide and school standing and ad-hoc committees (listed in the Service section of this document) with chair responsibilities in selected committees
- Developing, proposing, and managing the Associate Dean for Academic and Student Affairs mission-based budget
- Initial and quarterly reviewing and making recommendations on academic unit budgets to ensure alignment with school and university priorities as a member of the Executive Team

Interim Doctoral Program Director
 School of Social Work
 Virginia Commonwealth University
 Richmond, Virginia

August 2014 – August 2016

Key Accomplishments:

- Revision of admission application process
- Instituted 4-year support model for graduate research assistants (GRAs)
- Developed GRA policy and procedure document and implemented GRA formal review process
- Implemented formal review and feedback process for doctoral student academic performance

- Developed and implemented academic policy to limit time in candidacy before successful defense of dissertation proposal
- Revised student learning outcome protocol to align with university requirements
- Successful reaffirmation of reaccreditation with noted strengths in 2002 and 2010

Oversight of doctoral program, including implementation, review, and revision of academic policies and curriculum, recruitment and admission activities, teaching assignments and schedule of classes maintenance, student learning outcome assessment, and ensuring all other activities required for degree completion are implemented and followed (e.g., student review, comprehensive exams, dissertation proposal and defense, and graduation, and implementing retention strategies as indicated). Propose and manage approved program budget, including awarding student travel funds and submit quarterly and other reports as needed or requested by the dean or other university official.

Director BSW Program
 Interim Director, BSW Program
 School of Social Work
 Virginia Commonwealth University
 Richmond, Virginia

September 2002 – December 2010
 September 2001 – September 2002

Key Accomplishments:

- Developed a writing-intensive course to teach all B.S.W. students A.P.A. writing style
- Raised minimum grade point average needed for admission to the B.S.W. program to 2.50
- Implemented dismissal policy as part of academic program that limits to two attempts any course in which the student earned a grade of D or F
- Created a data analysis course (SLWK 381) to be sequenced appropriately in support of senior research projects
- Created honors thesis and graduating with honors policy for B.S.W. students
- Designed and implement assessment of student learning outcomes protocol still in used today
- Designed and implemented the senior portfolio to be used in the assessment of student learning outcomes
- Redesigned all B.S.W. and M.S.W. field evaluation forms to conform with competencies-based EPAS, starting in 2008
- Designed and implemented annual senior survey
- Oversaw enrollment growth from approximately 100 to over 300 B.S.W. students

Chair monthly meeting of BSW Program Committee, participate in Administrative Team (more recently the Dean’s Cabinet). Create B.S.W. schedule of classes, assign full-time faculty instructors in consultation with dean’s office, hire and supervise all adjunct instructors, review all course evaluations and provide instructors with feedback, conduct annual assessment of student learning outcomes, write program self-study for 2002 and 2010 reaffirmation of reaccreditation cycles, and ensure appropriate application of all programmatic policies and procedures and ensure all students satisfy degree requirements for graduation.

In addition, continue committee participation at the School and University level, teach 3 undergraduate courses per academic year, provide academic advising to BSW, MSW, and PhD students, participate on doctoral

dissertation committees, and provide field instruction in an elementary school setting for BSW and MSW students.

Associate Professor with Tenure
Assistant Professor
VCU School of Social Work

May 2003 – present
August 1995 – May 2003

Appointed to the faculty in a tenure-track position in 1995 and tenured in 2003 to teach direct practice, human behavior theory, and research courses across programs, and participate in doctoral examinations and dissertation committees. Faculty duties also include field liaison and field instruction, as well as participating in school and university committees and providing service to community-based agencies.

Visiting Professor/Field Instructor
School of Social Work
Florida International University
Miami, Florida

September 1994 – August 1995

Duties and responsibilities included teaching undergraduate and graduate level social work courses in direct practice and research sequences, participation in the Field Committee and the Research Sequence Committee, and field supervision of second year Title IV-E MSW students. As a Field Instructor in the Title IV-E program, I was also responsible for working closely with the Broward County district of the State of Florida's Department of Health and Rehabilitative Services (HRS District X) in Foster Care and Adoption Services. I also functioned as a consultant to the District in training, clinical supervision, and serving on committees. When the students were in practicum, my primary duties included direct supervision of intensive reunification services to HRS cases in Foster Care.

Adjunct Professor
School of Social Work
Florida International University
Miami, Florida

January 1993 – September 1994

Duties include teaching direct practice, and human behavior and the social environment courses in the undergraduate program in the School of Social Work, and academic advising of undergraduate and graduate social work students.

Private Practice
Clinical Social Worker
Coral Gables, Florida

August 1992 – August 1995

Clinical practice with children, adolescents, and adults in the provision of services to individuals, couples, families, and groups utilizing a person-in-the-environment and family-systems approach to psychosocial assessments and psychotherapy; primary mode of intervention included cognitive behavioral and ego-psychology approaches.

Counselor II
Family Counseling Services of Greater Miami, Inc.
Miami, Florida

May 1989 – August 1992

Conducted psychosocial assessments, diagnosis, ongoing therapy and referrals when necessary. Conducted group psychotherapy with individuals referred to the agency for DUI (driving under the influence). Coordinator of the Domestic Violence Program, which sought to reduce the incidence of domestic violence by providing services to court referred clients. Designed and implemented a group therapy program for children from families experiencing problems related to substance abuse. As a result of the pilot project, named "Rainbow Kids", a program was funded by the Board of the agency and was taken to several area elementary schools.

Additional duties included field instruction to graduate level social work students.

Director of Admissions and Business Office
Highland Park Pavilion
University of Miami/
Jackson Memorial Mental Health Hospital
Miami, Florida

December 1987 – May 1989

Responsible determining admission and insurance eligibility to the in-patient mental health hospital of the University of Miami/Jackson Memorial Hospital, implementing and revising the policies and procedures of the admissions office and supervision of the admissions and business office staff.

Assistant to the Medical Director
Harbor View Hospital
Miami, Florida

February 1985 – December 1987

Assisted the Medical Director in carrying out the functions of the medical director's office, including staffing, coordinating, maintaining communication, and keeping minutes all medical staff committees (general medical staff, utilization and peer review, quality assurance, and risk management quarterly committee meetings). Responsible for medical staff appointments and re-appointments process, verification and maintaining accurate records of medical staff credentials, developing, maintaining, and making recommendations for all medical staff policies and procedures, and coordinating the medical staff for accrediting surveys by JCAHO. Additional duties included handling daily administrative functions and problems related to medical staff, patients, and their families.

Caseworker/Team Leader
Harbor View Hospital
Miami, Florida

February 1983 – February 1985

Responsible for all the casework of a 12-bed crisis stabilization unit. This included coordinating the functions of the multidisciplinary treatment team, completing psychosocial assessment, creating and updating treatment care plans, and preparing and handling all legal documentation related to involuntary admissions and court appearances, and discharge planning.

Mental Health Technician
Coral Ridge Psychiatric Hospital
Fort Lauderdale, Florida

January 1982 – February 1983

Provided in-patient primary nursing care to adult and adolescent psychiatric inpatients. Duties included completion of the admissions assessment and initial treatment care plan.

EDUCATION

Ph. D. July 1995
Florida International University
Miami, Florida
Major: Social Welfare
Areas of Interest: Sexual abuse and scale development

Dissertation:

The Development of a Multidimensional Scale to Assess the Degree of Adulthood Behavioral and Emotional Impairment Associated With the Negative Consequences of Childhood Sexual Abuse

M.S.W. December 1989
Florida International University
Miami, Florida
Concentration: Services to Families and Children

B.S. December 1983
Florida State University
Tallahassee, Florida
Major: Psychology
Minor: Statistics and Computer Science
